

Letter Hunt

Search for letters in the environment. Modify the game to simplify or increase challenge based on the needs of the children in your care.

- ◆ Go on a letter walk and write down letters the children see.
- ◆ Go on a letter walk and record children on video pointing to letters and/or words. Tell children the letters and/or words as they point to them.
- ◆ Use post its to label the first letter of objects around the room.
- ◆ Give children white boards or paper. Go on a walk and have them record all the letters they find. It is okay if their writing is just scribbles.
- ◆ Show a letter and prompt children to find others that look like it.
- ◆ Prompt children to find a certain letter (e.g., “Does anyone see a ‘G?’”).
