

Story Add-On

Create a story together! Prompt children to share an idea of what could happen next to extend the story. Encourage children to include feelings, opinions, and judgements in their description.

More Support: Ask questions or make comments to guide their thinking.

“Which animal would you like to see at the zoo, the lion or the seal? What do you think the seal would be doing?”

“You said that they found a magic wand in the forest. I wonder what happens next!”
