

Wacky Writing Tools

Choose writing tools that are fun, exciting, and different than the usual crayons and markers. New and silly writing tools will encourage children to try them out!

Possible writing tools:

- ◆ Oversized pencils or pens
- ◆ Feather pens
- ◆ Small, golf sized pencils
- ◆ Flexible pencils
- ◆ Glow-in-the-dark writing tools
- ◆ Glitter crayons
- ◆ Window crayons
- ◆ Scented markers
- ◆ Multi-color markers

More Support: Only provide a few writing tools at a time. Introduce the writing tools in a small group.

Encourage Children's Writing

“Have you tried to write with this marker? It draws with red and blue at the same time.”

“The birds outside need a sign for their bird house. Can you create a sign using these special feather pens?”
