

## **Willoughby Wallaby Woo**

This classic children's song and rhyme is a fun way to encourage phonological awareness in children.

For this song you will sing the child's name substituting a /w/ sound, to make a silly word that rhymes with their name. When a child hears their /w/ name, they can stand up or wave their hand. This can also be used as a transition.

Willoughby Wallaby Woo  
An elephant sat on You,  
Willoughby Wallaby Wee,  
An elephant sat on me

Willoughby Wallaby Wustin  
An elephant sat on Justin  
Willoughby Wallaby Wajesty  
An elephant sat on Majesty.

Continue until every child has had a turn.
