

Letter Hunt

Search for letters in the environment. Modify the game to simplify or increase challenge based on the needs of your children.

- ◆ Give children white boards or paper. Go on a walk and have them record all the letters they find.
- ◆ Go on a letter walk and have each child look for letters that are in their name.
- ◆ Show a letter and prompt children to find ones that look like it.
- ◆ Prompt children to find a certain letter (e.g., “Anyone see a ‘G?’”).
- ◆ Show an uppercase letter and prompt children to find the lowercase letter.
- ◆ Give the sound instead of the letter name (e.g., “Can you find a letter that says /g/?”).
