

Letter Names

Children are highly interested and motivated to learn the letters in their own name and the names of people (or pets) they love. Provide name cards for each child and teacher in the classroom. Prompt children to identify the letters in names. Add more name cards as children show interest in other names.

Teach Letter Names and Sounds

“Whose name starts with the letter S? Yes! You may all sit down (or get a mat, get in line, etc.).”

“Can you name a friend who is here today whose name starts with ‘B’?”
