

Whatchamacallit

Prompt children to share the different names they call people in their family. Ask children questions such as, “What name do you call...?”

For Example:

- ◆ Grandparents (e.g., Gigi, Poppy, Abuelo/a, Papa)
- ◆ Aunts or Uncles (e.g., Aunt, Auntie, Tío/a, Uncle)
- ◆ Siblings (e.g., Sissy, Brother, hermano/a, kuya)
- ◆ Parents (e.g., Mama, Mommy, Daddy, Dad)

More Support: Use what you know about the children in your class and what they call family members. Look at pictures and point out different family members.

Embrace Similarities and Differences

“There are many different names we use for the people in our families. Isn’t that wonderful?”
