

People Sort!

Challenge children to sort themselves by colors, patterns, or types of clothing.

For example:

- ◆ Color patterns or images (e.g., polka dots, stripes, characters)
- ◆ Type of shoes (e.g., tennis shoes, sandals)
- ◆ Type of shirt (sweater, short or long sleeve)

Prompt Children to Sort by Characteristic

“All of the children who are wearing red somewhere on their clothing can stand up and tiptoe to the tables.”
