

Position Words

Using just their bodies or objects (e.g., bean bags), encourage children to move themselves or their objects into different positions based on the position words you say.

Examples of position words/ideas:

- ◆ Bean bag on top of your head
- ◆ Bean bag next to your body
- ◆ Bean bag behind your knee
- ◆ Stand next to the bookshelf

Prompt Children to Identify Position in Space

“I see that you moved next to your friend like I asked you to. Did you move in front of them, on the side of them, or behind them?”
