

What Happened?

Make up or tell interesting stories about people, characters, or animals. Prompt children to identify what is happening or what happened in the story. Examples are below, but consider the interests of your children.

More Support: Use books as a visual cue to ask questions.

Ask and Answer Questions to Support Understanding

- ◆ “The dog is standing by the bowl. What is happening?”
- ◆ “The balloon is stuck in the tree. How did it get there?”
- ◆ “The girl didn’t close the hamster cage. What happened next?”
